## **Another Wallace**

People have been congratulating **MIKE WALLACE**, a correspondent on the CBS News magazine "60 Minutes," for winning the Pulitzer Prize for history.

The prize went to the authors of "Gotham: A History of New York City to 1898" — **MIKE WALLACE** who is a professor at John Jay College, and **EDWIN G. BURROWS**.

"My own kids called, both **CHRIS** and **PAULINE**," said Mr. Wallace of CBS, who met the other Mr. Wallace for the first time in February. "How come you didn't tell me you were working on that? Chris believed I had done an introductory chapter or something of that sort."
